# Foreword

The 1952 Martinaire Staff offers this yearbook with the hope that as you turn its pages you will find faithfully recorded every phase of life in the Martin Family.

# Dedication

DR. JOSEPH D. QUILLIAN

To Dr. Joseph D. Quillian the Staff dedicates this 1952 MARTIN-AIRE. Like the Class of '52, Dr. Quillian is closing his second year at Martin College. None of us will take our degree here, but on all of us he has made more of an impression than many a university president does in four years. Each one of us will carry away a vivid, personal memory of one whose driving interest is the solution of the academic and emotional problems which beset the seeker after higher education in these our war-ridden times, of one whose Christian dynamics challenge students and colleagues alike.

To the students, many a president is the man nobody knows. Dr. Quillian is the man everybody on the campus knows, respects, admires. We salute him—scholar, friend, Christian!

Dean Mingledorff and President Quillian plan together

To Students, Faculty, and Friends of Martin College:

The past year has been one of sound progress for Martin College. Among the most notable advances are: the bringing together at Martin one of the strongest junior college faculties in the South; the unprecedented support by the Tennessee Conference of the Methodist Church for the current operation of the College, the amount contributed now being the highest given to any Methodist Junior College in the United States; the completion of a new men's dormitory at an approximate cost of \$160,000; and the repair and redecoration of the older buildings on the campus.

For 1952 we anticipate the largest enrollment in the history of Martin College, and we confidently expect further progress which will give us a stable academic position among the colleges of this section.

Basic to our present work and to our future plans is an unapologetic Christian philosophy of education. We believe that all true knowledge must be related to God and that learning best is done in a Christian community. It is in building and maintaining such a thoroughgoing Christian college that students, faculty, administration, trustees and friends of Martin College work together.

Sincerely,

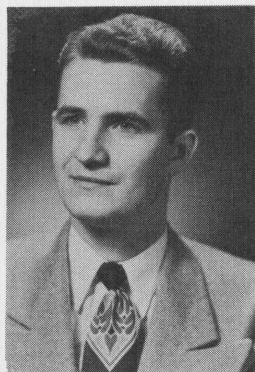

*Joseph D. Quillian, Jr.*

The official purposes of Phi Theta Kappa are to promote scholarship, to develop character, and to cultivate fellowship among the students of junior colleges. The three Greek letters, Phi, Theta, and Kappa, stand for wisdom, aspiration, and purity which are the foundation stones on which this honorary organization is built. The Alpha Omega Chapter, which is the Martin College Chapter, was chartered in 1931.

# Christian Association

The purposes of the Student Christian Association are to encourage students to attend the church of their choice, to create friendly relations among students, and to help them grow in their Christian experiences. Each student, regardless of denomination, is a member of the S. C. A., and participation in its activities makes one a part of it. The officers and cabinet members have a large share in directing the religious activities of the college.

The Girls' Dormitory Council endeavors to stimulate atmosphere of friendliness and consideration among the residents of Tennessee Hall. The Honor system was instituted at the beginning of the year and promises to be very satisfactory both to the council and the dormitory students. The motto is the Golden Rule: "Do unto others as you would have them do unto you".
